Sir:

On March 29, 2002, a Notice to File Missing Parts of Nonprovisional Application (referred to herein as Notice) was mailed from the Patent Office. This paper is filed in response to the Notice. Please amend the application as described below.

In the Specification:

Please amend the specification as shown in the following clean replacement paragraphs. The marked up versions of the paragraphs are attached to this Amendment as Attachment 1.

In the section of the specification entitled Brief Description of the Drawings, please delete the third paragraph, lines 11-15, page 10, and replace it with the following revised paragraph:
